WHAT IS INCLUDED

Come spend the weekend camping at beautiful Camp George Thomas. Enjoy four meals in our temperature controlled dining facility and leaving the daytime planning to us!

THINGS TO REMEMBER

All vehicles will be parked at the camp entrance. Please walk down to Central Lodge to check in and be assigned to a campsite. You will be allowed to drive down to your campsite to offload gear but all vehicles must return to the parking lot immediately after drop off to maintain our child-friendly camping environment.

WHAT TO BRING

Tent, sleeping bag, rain gear, warm clothes, favorite camping gear, hygiene, and members of the family that want to see how much fun camping can be!

Please leave pets, fireworks, alcohol, and weapons at home. Electronics, cell phones, and other valuables should be stored away carefully. Any food needs to be kept in a sealed container outside the tent due to significant wildlife interaction.

NO ELECTRICITY available in the camping area at Camp George Thomas. (If you use a C-Pap or other device, a fully charged Deep Cycle 12 Volt battery and an inverter will generally run one for two nights).

REGISTRATION/REFUND POLICY

All registrations are final and offline payment is due when registering online. Lack of payment will result in deletion of the registration so that other campers may attend this popular event.

Scouts or adults unable to attend an event due to an accident, illness or death in the immediate family, or family relocation may be eligible for a refund. Refund requests of this nature must be made in writing within one week of the event. Refunds will not be issued for school events, sports competitions, weather, no-shows or work-related conflicts.
